

**Privacy Policy:** I know how awkward it can seem to click websites, links, and fill out forms, and wonder who is on the other end doing what with your information. In this case, it's me on the other end, with Google Analytics. This privacy policy is effective as of December 5, 2017.

**Using the Contact Form:** I do not rent or sell your email addresses. When you email me to request an information packet or ask questions about my services and prices, your email address is used by me for our communications.

**General Website Visits:** This website, like most websites you visit, automatically collects certain pieces of non-personal information when you visit. This includes information such as the type of browser used, whether a computer or mobile device was used, an IP address or numeric code, sites visited before and after the site visit, and what time and date the website was visited. This information is gathered through third-party analytics vendors such as Google Analytics. These tools provide data that allow me to improve my website layout and content, and evaluate the success of search engine optimization tools (SEO).

**Cookies:** Most websites, including mine, use cookies. A cookie is a small file that helps to tell your computer browser from another; for example, it's what allows you to keep items in your shopping cart when you leave a site and come back to the same shopping cart again. Cookies tell me what pages of the website are being visited. Most browsers automatically accept cookies. You can also disable the use of cookies on your browser, however, deleting or rejecting cookies may interfere with accessing all of the information or features of a website.

**Third-Party Links:** If you click on a link to a different website, such as Linked In and other third-party sites, these websites have their own privacy and security policies separate from my website.

**Children's Privacy:** I do not knowingly collect information from any child under the age of 13, and this online site is not intended for individuals under the age of 13.

**For More Information:** If you would like to learn more about Google Analytics and how you can control what information you share, please visit: <https://www.google.com/policies/privacy/partners/>

**Updates:** If this privacy policy is modified, the updates will be listed here on my website. If you have questions about this privacy policy, please contact [amy@amydecew.online](mailto:amy@amydecew.online) at Amy DeCew, 2855 Idlewild Drive, Reno NV 89509.
